# LETTERS TO THE LOUNGE

Email your letters to the Editor of Club International @ [contact@paulraymondmedia.com](mailto:contact@paulraymondmedia.com)  
The best letter published every month gets a cool £50

## Dear The Lounge,

I've always liked the letters you publish in Club so I thought I'd tell you about something that happened to me a couple of years back when I was still at university.

There I was, sitting watching crappy daytime TV in my room when there was a knock at the door. It was Jeannie, a girl who lived in the flat above me and was a really sexy lass, with a mass of curly red hair, big tits and a nice, round arse.

When she'd first moved in I'd tried my hardest to get in her knickers but had had no luck, be-cause (get this!) she had a girlfriend, called Helen. Of course that just turned me on even more. Jeannie claimed to be bisexual, but I'd only ever seen her flirting with blokes, getting them all excited before slipping away with Helen – or even some other girl. She'd even done it to me a

few times, the tease! This time Jeannie came and sat on the bed next to me, giving me a great (and I reckon deliberate) view of her ample cleavage as she moved around me. Then she lay back with her head in my lap and started playing with my hair. There wasn't actually anything all that unusual about this, because Jeannie was obviously used to using her looks to get her own way, especially with me! I was starting to get a hard-on, so was trying to change position without making it too obvious when I suddenly no-ticed that the bottom drawer of my bedside cabinet was open and a well-thumbed copy Club was lying exposed on the top. Jeannie saw it too and was onto it like a shot.

I went bright red, but Jeannie just looked at me and said she'd never looked at a porn mag before.

She started flipping through it, commenting on the girls she fancied. As she slowly went through the issue, pausing at every page, I realised that I was really turned on. She started to ask me what it was that I really liked about the mag.

Was it the girls? The features? The letters? Without getting a chance to answer she started to tease me, saying she was sure it was the letters and flipped through until she found the start of one. Quietly she started to read the letter out.

It was from 'Peaches', my favourite section. As Jeannie slowly read out the letter she would pause every now and again, then look up from my lap where she had settled, look me direct-ly in the eye and moisten her gorgeous red lips. She had a deep, sexy

voice and I was getting more and more turned on by the second.

Jeannie was getting to the climax of the story and the girl in it was about to take a serious arse fucking, when she suddenly chose that moment to change position, sitting up on my lap and facing away from me while carrying on reading. As the girl in the letter slowly took the guy's full length and he began to pump, Jeannie started to rock backwards and forwards on my lap, grinding her arse into my cock. I was hard as a rock; I'd never been so turned on before. Jeannie stood up and started feeling my cock.

"You fucking love those stories, don't you?" she whispered in my ear. "You want to fuck me up the arse, don't you? But I'm not going to let you." She let go of my throbbing cock. I was well pissed off. I thought it was the typical Jeannie tease. But this time she wasn't finished with me.

Standing in front of me, Jeannie started dancing, gently at first, swaying from side to side, dipping down to give me a good view of that great cleavage. Then she'd move back up, stretch and show me her taught stomach. Despite my annoyance I couldn't help but enjoy the show.

She moved back onto the bed and kissed me on the lips, whispering, "It would be cruel to leave you this turned on..." she ran her finger gently along my fly, "without giving you some satisfaction." She gently unzipped me and pulled my cock out. It was the hardest I'd ever known it.

Jeannie went down on me like a pro, wanking the base of my shaft as she sucked my end hard. She willingly took the whole of my dick into her mouth and I worked my other hand into her jeans to feel her clit. As she continued blowing me I pulled her jeans down. I was already on the verge of coming, so took a chance and started working my thumb in a slow, circular motion into her arse. Jeannie stopped and looked at me with an expression that was half-pleasure, half surprise. I worked my thumb in deeper.

"Come in me," she murmured.

"Fuck my arse." I started to lubricate her with her pussy juices, wetting my fingers, then slid-ing them in. She let out a gentle moan as each finger got to work and she soon felt nice and open. I moved round behind her and placed my bell end on her crack, then slowly started to work it in. The sight as I did so was incredible, and it took all my self control to stop myself from coming even before I'd fully penetrated her.

After a while I was balls deep in her arse and started rocking in that tight little hole of hers. Jeannie moaned and wailed as my thrusts got harder and harder. I have to admit I'd never fucked an arse before and it was fantastic. I kept pounding and pounding, my balls smack-ing against her bum. She begged me to keep going, thrusting deeper and deeper, until sud-denly I exploded inside her.

I pulled out, my come dripping down her beautiful arse cheeks, but I was still horny. I flipped her over, spread her legs apart and plunged my tongue deep into her soaking wet pussy. I moved back, working her lips, biting her as she groaned. Soon I felt her button and concentrated on it with the tip of my tongue as I started to finger her pussy again. By now she was making a lot of noise so I started to suck harder. Jeannie got louder and louder as I sucked harder and harder and finally screamed out loud as she came, a massive orgasm wracking her body as she jerked beneath me.

After that we flopped down on the bed, both completely exhausted.

My tongue felt as raw as her arse looked. And after all that, when she'd got her breath back, what do you think she did? She turned and asked me for a lift to the fucking shops! I knew she'd wanted something out of me,

pussy – not to mention her face, of course! And all done up in that sexy black underwear coupled with some audaciously rude poses. Ever since I've had that issue in my hands I simply can't get anything done except pull my dick! I've actually bought 5 copies of that issue, and I've been wanking myself silly every day. Please pass on my thanks to her, and please, please can we see her again?

#### Dear The Lounge,

Last summer I was walking home from town and decided to see if I could cut through a new housing development that had been built.

Despite still being built, many people had already moved in, and as I crossed the estate I soon reached the part that was built first. All the building were finished here and many of the apartments looked occupied.

As I headed for some steps that led out to the road which would take me home I heard some giggling that was coming from the end of the block. The way the balconies were built I could not immediately see who it was so instead of crossing the road I walked on. I was glad I did.

When I got a bit closer, I could see two girls in their PJs. One was sitting on the others lap and she had her arms around their neck

but I could hardly refuse, could I? And I let her keep the copy of Club. I'm sure her and Helen enjoyed it! Sadly, I never got the opportunity for a repeat performance – she made it quite clear it'd had been a one-off treat, but it's still a memory I'll treasure for the rest of my life!

#### Dear The Lounge,

I realise I'm probably a bit slow, but I just had to write in to tell you that those pictures of Amy Green you featured in 52.03 have got me in a right state. I simply can't stop thinking about her – she is absolutely gorgeous, with fantastic tits, a fit, fit, fit arse and a beautiful bald

and I could see them talking and laughing in be-tween kissing each other. I wanted to stop and watch, the sight already causing a growing semi in my shorts but it was too easy to be seen and I did not think I should get caught watching them. So I walked slower, making the most of it, hoping they would not see me too quickly.

I did not have a clear view of the girls but they both looked young, one had long blonde hair whilst the girl sitting on the others lap had long dark hair. I could see she was wearing a little vest top and shorts set whilst the one sitting had proper PJs on. As I got to their balcony, the dark haired girl looked at me. I could now see she was gorgeous, with big brown eyes and a very pretty face and a very tight pert little body. It was obvious she had no bra on under her vest top and although she had small tits, they were very pert and her nipples were very stiff.

"Hi!" the dark-haired girl said, which gave me a reason to carry on staring at them. "Lovely day!"

"It is, and it looks like you're making the most of it!" I replied smiling. They both laughed.

"Yes, we have been enjoying ourselves," the dark-haired girl said whilst exchanging a know-ing look with her friend. "Do you live round here too?" she asked.

"I wish," I said and thought I would try my luck a little, "I could watch you two every day then."

They both laughed again and the dark-haired girl carried on; "We did think we may be mak-ing a spectacle of ourselves but it's so quiet, I think everyone's out."

I agreed with her and asked, "So are you two just getting up or are you going back to bed?"

They laughed again and this time the blonde replied, "Both, but we also need some food." I was now leaning on the balcony in full conversation with them.

They had moved in the day before, it was their first place together and they made no secret of being girlfriends. Although, I encouraged them to go into detail, they were very discreet but they made it clear that after moving their stuff in, they had gone to bed with some wine and enjoyed each other until late that morning. They both spoke excitedly, and every now and again exchanged kisses. "Well I better let you two girls carry on enjoying yourselves," I said, thinking I'd better leave them alone as when they saw my hard on, they may think I was just a dirty old pervert.

Not far from the truth – but I did not know how they would react.

However, the darkhaired girl spoke first, "No, don't go. You're the first person we've met here and although you may not be a neighbour, you are nice and have not judged us at all." They then invited me to join them on their balcony. Now I took a calculated decision, I knew they had no food in and they had said they were both hungry. There

# CAMILLA

It's Camilla's first appearance in quite a few months and we couldn't be happier to see her in the studio again. "It's nice to be back! I've been so busy doing things here and there and doing some traveling so the time's flown by. I'm so glad that I got such a positive response on social media from your readers, some of them are right dirty little buggers telling me what they'd like to do to me in bed, it doesn't shock me though because I've done pretty much everything!" We bet you have.

# Talkin' Blue

Got an experience to share? Then send it in to Talkin' Blue at the usual address and if it's up to scratch you'll bag yourself £50!

**My friend Amy loves nothing more than a bit of kinky roleplay. She's one feisty little bitch, and gets off on all sorts of strange scenarios. Amy is officially a submissive, but she will try to take control now and then.**

I love to indulge her, because every time we play it's so spontaneous – you never know what's going to happen when Amy's feeling frisky. She called me in the middle of the night recently and demanded that I went over straight away to exorcise her demons. She claimed that she'd been bitten by a vampire, and needed a dominant member of the clergy to save her soul. Never one to miss an opportunity for a bit of self indulgence, I quickly put on my favourite nun uniform and hot footed it over to Amy's house to fuck the little bitch before the devil got to her. I arrived at her flat and let myself in. It was dark and eerily quiet, with nothing but the soft glow of candlelight emanating from her bedroom to guide my way. I approached her room and, as my eyes grew accustomed to the gloom, I could see through the amber light that Amy was already in role, writhing around like a vampire possessed on her large master bed, clearly keen to have her thirst quenched. She was wearing nothing but a tight PVC corset and hold ups, her small firm breasts, as hard as rocks, pushed firmly together. I could see in her eyes she had already worked herself up into a frenzy and Lord knows what she had planned for me. As I entered the room – the slow throb of excitement already building up between my legs – Amy froze and, turning towards the door, she assessed me leisurely with her cat shaped eyes, like a predator

eyeing their prey.

"I've been waiting for you," she whispered seductively, flashing two sharp white fangs, which snuck out between her plump red lips, ripe and juicy, the colour of freshly crushed fruit. Her whole body radiated with her desperate need to be fucked. "Come to me. Come and let me show you what I have for you," She drawled.

"You are sick, Amy," I told her calmly as I walked over to the bed. "You have been possessed by

**"Amy darted her tongue around my puckered anus, tasting the sweet salty tang of my arse as she lapped up the moisture dripping down from my wet cunt."**

the devil. You need to be saved from yourself you dirty little whore. I'm going to rid you of this evil. You need to be tied down and exorcised."

Amy smiled seductively, running her small pink tongue over her white shiny fangs. "Oh really?" she replied, rolling over and running her hands over her firm breasts and down her belly, dipping in and out of her already moist pussy. "Come closer then. Show me what you

**I spread her pussy flaps apart and darted my tongue across her pumped up clit, as Amy panted and bucked beneath me."**

have in mind."

I stood over her petite little body, desperate to grab hold of her creamy skin and dip myself into her gaping wet pussy, but as I tried to twist her arms back to control her, Amy lunged at me, gnashing her pointy white teeth. I pushed her off and, snarling like a feral animal she tried to sink her fangs into my flesh. I slapped my hand sharply across her cheek and Amy collapsed into a heap, panting heavily. As I tied her arms to the bedposts, she smiled mischievously at me. "I'm going to rid you of your demons you little tart. I'm going to dig inside of you and rip

them out," I told her. I tightened the buckles on her ankles and admired my handiwork as Amy lay utterly helpless, stretched across the bed in a cross – legs and arms spread wide. I ripped off her panties and rubbed my hands all over her tight little body, enjoying the plump flesh beneath my palms as Amy lay still, powerless to prevent me from doing as I wished.

She started to wriggle and buck, clearly desperate to be filled whole and brought to orgasmic release. "Calm down, my pretty," I whispered as I ran my cool tongue across her burning hot nipple and untied her corset. I spread her pussy flaps apart and darted my tongue across her pumped up clit, as Amy panted and bucked beneath me, pushing her cunt further up into my open wet lips. I pressed my tongue inside her wet gash, tasting her salty juices as she tried desperately to press upwards further into my mouth. I slowly began to fuck her with my tongue, pushing it repeatedly into her and running it up and down her rock hard clit.

"This will ease your pain," I assured her.

Amy started to lash out, snarling and biting at me as I brought her to the edge of orgasm with my tongue. I pulled out my crucifix and she hissed at me, enraged at the sight of the metal cross.

"You fucking bitch," she hissed. "You fucking whore. Fuck me, you fucking bitch, I want to come. I want to drench your pretty face with my come."

"Now now, Amy," I whispered. "You know who's the boss here," but she continued to hiss, so I took the crucifix and shoved it up her gash, pressing it deep inside of her, the juicy folds of her labia closing around the cool metal as she sucked it into her. "Now take it, you devil's bitch," I snarled as I started to pump the cross into her wet snatch, her tight flaps closing around it, sucking the metal cross into her hot wet hole as I thrust it repeatedly into her. Amy moaned, saliva dripping down her chin as she started to orgasm.

I continued to work on her slit with the cross,

pumping it into her, milking her come, driving the devil out from between her thighs. She screamed out loud, gripped by an orgasm which made her whole body spasm and jolt. She lay still for a few moments, panting as a pink flush spread across her body. "Now I will rid you of your demons for good," I whispered to her as I straddled her shackled body and plunged my sopping wet cunt on to her open mouth. She bit down on my clit making me wince. "You little bitch," I hissed as I ground my pussy into her face, suffocating her. I knew she loved my hot cunt, as she started to suck hungrily on my clit, desperate to milk me of my orgasm. But I wasn't ready to free her from her torments just yet, so I turned over and, straddling her backwards and lowering myself, I thrust my arsehole towards her face. "Suck it you vampire slut, let the devil taste my vengeance," I cried. Amy darted her tongue around my puckered anus, tasting the sweet salty tang of my arse as she lapped up the moisture dripping down from

my wet cunt. I grabbed the crucifix and pushed it up into my pussy, fucking myself as Amy stuck her tongue far into my anus and thrust in and out, sending shivers or pleasure up my spine. I continued to fuck myself with the metal cross until I came hard, drenching Amy's lips in a mixture of my salty fluids as I moaned and ground my butt down hard on her upturned face. Once my orgasm had subsided I climbed off her face. "Now I'll show you who's the boss," I whispered between gritted teeth as, untying the restraints, I pushed the crucifix into Amy's mouth, making her suck up my come juice. Once untied, I flipped her over on the bed and, kneeling down on the floor, I spread her arse cheeks apart and thrust my tongue into her still moist pussy, sucking hard on her tender clit. As she started to wriggle, spread her fanny lips apart and stuck my fingers inside her, feeling her tight cunt suck me up into her. I thrust in and out until she was ready come again, but before I let her,

grabbed the crucifix and plunged the sharp edged cross deep into her arsehole, winding it so the jagged sides of the cross dug into her anus, making her scream out as she rode the cusp of pleasure and pain. "You like that, don't you, you dirty devil's whore!" I shouted, flipping her over and spreading her legs far apart so her gash was gaping open. I spat into it and rubbed my saliva into her labia, before thrusting the crucifix back into her glistening pussy. Then I climbed on top of her and, grabbing her hair between my fists, I pressed the other end into my slit, skewering us both on the holy cross. I rocked back and forth, fucking Amy with the crucifix as I clung on to her hair, pounding it over and over into her tight hole, grinding our pussies against the cross as Amy screamed and begged for more. We both came together hard on the jagged cross, thrusting and rocking our way to orgasm, the only sound Amy's screams as she forgot whether she really was human anymore...

**W**atch out there's a Lucy Zara about! Yes, the blonde beauty has been prowling around our studios gazing poutily down the camera lens, much to our delight! And it seems that we've caught her at the end of a long week! "I've been so busy this week, one day I even did a double shoot at opposite ends of the country! Who said it was all glamour and champagne. It's worth it because I like to make sure my fans get to see as much of me as they want." Your fans would be captivated by what we can see right now!

**H**aving appeared in our other magazines many times, South Yorkshire hottie Kayla Louise is now back in Club – so let's all give her a great big hand! We'd like to kid ourselves that a girl from Sheffield was all wide-eyed with wonder when we got her down south for this shot, but the truth is she was every bit as sophisticated as us (Well that's not saying much, is it? - Ed.). Try as we might, we couldn't make much of an impression on her with our poncy London ways – all the talk of trips to the National Gallery and West End shows left her distinctly unimpressed. "We've got all that in Sheffield, thank you very much!" was what she said when we pressed her on the matter. "The Crucible Theatre isn't just for snooker, you know – we get all sorts of major productions there, and it doesn't cost anything like as much as a night out in London!" Hmm, OK, fair enough. To be honest, if we had the company of Kayla for the night, it's probably be a cosy night in we wanted anyway... "Well now you're talking – who needs the theatre or galleries when you've got a comfy bedroom?" Ah, a girl after our own hearts!

**Emily B** ♣  
PHOTOS: BB MEDIA

**N**ative Londoner Emily B is making her Club debut with this set of pictures, and we're sure you'd all like to extend her a warm welcome! After all, home grown honies with the vital stats of 30F-23-33 are few and far between (more's the pity), so whenever we come across one we like to make them feel at home! So Emily, this is your first appearance in Clu – what made you decide to take the plunge? "Well, I've appeared in quite a few middleshelf lads' mags, where the guys all seemed to be pretty crazy about my boobs, but I kept getting letters asking if I was ever going to get a bit ruder. In the end I thought 'Why the hell not!'. I've got a kinky side, and I don't see why I shouldn't share it with the rest of the world!" Quite right too – those lads' mags are all very well, but real men want a bit more than the odd cheeky topless shot, and we're delighted you've decided to honour us with your first full-on Shoot for Club! "I'm very happy to be here. When I think of all the fantastic modelling legends who have appeared in Club over the years, it's a real thrill for me to be able to join them!" Wow – a lovely face, stupendous boobs and a modest streak as well – we think we're in love!

was a pub five minutes' walk away that did good food. "If you're hungry why don't you throw some clothes on and I'll introduce you to the local pub and buy you an early dinner – it can be a moving-in present."

They looked at each other, smiled and together, to my delight said, "Yes."

Five minutes later they were dressed and joined me. Jenny (as I found out the brunette was called) came out first, she was wearing a different vest top but still with no bra, denim hot pants and flip flops. Ashlynn – the blonde – came out in a tight white T shirt, a very short denim skirt and little boots.

Lunch was perfect. We stayed there for about three hours and drank plenty of wine before I finally paid the bill and we left giggling.

The girls went to the ladies together and I waited for them outside. As they come out Ashlynn took my arm and said, "Come home for a nightcap." She had a very cheeky look on her face and of course agreed as they both kissed me on the cheek, thanking me for dinner.

When we reached their place, Ashlynn went into the little kitchen area and got more wine. Jenny sat = me down on their settee and promptly sat astride me, facing me. I wasn't sure what she was doing, but she leant forward and kissed me on the lips this time. It was just a quick kiss, but I could feel my cock stiffen.

"I'm going to have a shower – Ashlynn will look after you," she said. She then lifted her top off, her pert tits and very erect nipples just a few inches from my face.

Ashlynn was now pouring the wine watching us, as Jenny looked down at the bulge in my shorts.

Jenny, still sitting topless astride me reached down and gave my bulge a feel. Turning to Ashlynn she said, "Yes it does feel big, we were right." She then stood up so she was in front of me, flicked off her shoes and undid her shorts and let them fall to the floor.

She was completely naked now and I took in her sexy petite body and small little trimmed bush.

She said, "I won't be long!" then turned and kissed Ashlynn in a long drawn out kiss, Ashlynn's hands caressing Jenny's cute bum. I was completely dumbstruck as Jenny walked to the bathroom.

Ashlynn then gave me a drink and as I took a much needed gulp, she got on her knees, positioning herself between my legs. She took her T-shirt off, releasing her lovely big tits and undid my shorts, pulling them down. I lifted my arse on the settee so she could pull them down, letting my very hard cock spring out.

"It's been ages since I sucked a cock – I hope I can still do it!" she laughed.

She could. She started by sexily licking my helmet before sucking my cock into her mouth. I could hear the shower running as I watched Ashlynn sucking my cock and nibbling and sucking on my balls. I was loving

it but heard the shower stop. "Jenny's about to come out," I gasped, thinking she may not like seeing her girlfriend on her knees giving me a blowie. Jenny walked in the room still, wet and naked. Ashlynn looked round at her. "It's a lovely cock!"

she said, "but don't make it come till I back" With that she stood up and went to the shower and Jenny took her place, staring up at me as she started to lick my balls and shaft before slowly and very sexily sucking my very hard dick, keeping eye contact which I always love.

It wasn't long before Ashlynn was back and they now both were on their knees, sharing my cock in a most amazing blow-job. They were now concentrating on fast sucking and wank-ing and I could not hold back any longer. Jenny took the first shots of jizz in her mouth and then Ashlynn licked my dick clean. It was one of the most amazing blow-jobs ever.

Ashlynn stood first. She still had my spunk on her lips as she said, "Right let's see what your oral is like." I followed both girls as they walked to their bedroom where they both lay on the bed on their backs with their legs wide open.

My cock was fully hard again as I looked at these very horny girls with their cunts open and exposed for me, realising for the first time that Ashlynn was completely bare. I positioned myself so I could get to both of their pussies and began to slowly kiss and lick their lips. Both girls were moaning and both were soaking wet and I enjoyed lapping at their cunts, taking my time to probe their lips and enjoy their juices. They were both breathing hard as I started to focus more on their clits and I was delighted when I heard Ashlynn say, "Fuck he is good." I started to spend longer on each clit and as the girls started to moan loudly I used my fingers on one of them while I licked the other, swapping at longer intervals.

It was Ashlynn who came first. I was licking and sucking on her clit while fingering Jenny when her hand reached down to my head and pulled me in tight to her cunt. I could feel her wetness on my face and smell her juices as she came hard in my mouth. When she released my head, I concentrated on Jenny who also came hard as I licked her clit and fingered her soaking pussy.

As I sat up my face was covered in the girls' juices and they were looking at me

smiling. "For a man I have to say that was incredible," Jenny said.

"You two weren't bad either!" I replied, making them laugh.

We drank some wine all laying on the bed naked until I said I better go. There was no invite to stay the night but the girls did very politely explain that they had agreed that I could not stay over. It seems the whole night was planned when they went to the ladies together and it had solved a problem for them. Both of them were actually bi, but they didn't want to cheat on each other so they thought a threesome was the answer.

"An excellent solution!" I said.

"And when you want cock again, just give me a call!"

We swapped mobile numbers, kissed and I headed off. I must admit I didn't expect another invite as I thought this would be a drunken one off for the girls.

However, they texted the next morning saying they'd passed out on the bed after I'd left, and when they woke they'd enjoyed a lazy 69 session together.

After that the texts have continued – some of them very explicit. The latest one included an invite to dinner at theirs on Saturday night. It was suggested I bring an overnight bag. I've had a hard-on since then and I soon hope to be telling you about another amazing time with my new girlfriends.

**N**ew girl Emily Blake certainly does make a great first impression, in fact it's her bubbly personality the we first noticed. Yes, that's right, closely followed by her ample breasts a milli-second afterwards. And then we just didn't know where to focus our eyes when she was butt naked flipping from one pose to another. We were all in agreement though that our favourite position is where she's waving her bum in the air like she just doesn't care! You'll find it a few pages down.

# Peachs

*The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...*

I wanted to write and tell you about an experience I had a couple of months ago while I was in hospital. Sadly, I didn't get to diddle with the nurses; they were all ugly matron types unfortunately, and I prefer them a little less hairy than the ones on offer! Honestly, you should've seen some of them.

No, it was the special treatment I received from two girls – Cathi and Fran – from work that made me feel a whole lot better.

It was two weeks since the car accident and I was bored out of my head when the girls turned up loaded with get well cards, fruit and a pile of old mags.

I'd always fancied Cathi, as she usually wore short skirts and heels at work and had a fine pair of tits on her. Fran was part Spanish and had gorgeous long black hair and a nice rounded arse like JLo.

After some small talk I flicked through the mags they'd brought and was stunned to see a copy of *Club* amongst them.

"Reckoned you might be a bit frustrated cooped up in here" Cathi said as I opened it at a double page spread of some foxy chick holding her pussy lips wide open. Fran could see over my shoulder, and knowing she was watching made my dick jerk to attention under the sheets.

"Fuck, I saw that!" Cathi squealed, staring at the twitching lump in my bedding.

"Fran, pull the curtain around and stand guard."

Cathi stuffed her hand under the blanket and grabbed the shaft of my prick. I gasped with shock as she began to frantically wank me off, pulling the foreskin right back hard then forward again as her hand pistoned up and down.

Cathi was really worked up and yanked back the sheets to reveal my rigid dick as she leant forward and pushed the bulbous purple tip into her mouth. The aches and pains from my accident faded as all my senses concentrated on Cathi's soft wet lips encircling my engorged member, as her tongue tickled the tiny hole in the end of my tool before sliding up and down its length.

Fran stood just outside the curtain as I groped inside Cathi's blouse, squeezing great handfuls of her fabulous tits. I pinched the nipples as she sucked my cock faster and faster, making the sperm rise up in my balls.

There were only two others in my tiny ward, but they had their own visitors, and I was hoping they had no idea what was going on a

few feet away from them behind the screen.

Fran stuck her head through the drapes and licked her lips as she ogled her mate blowing my knob on the bed.

"What about me?" She purred, and dragged my dick from Cathi's mouth before shoving it deep into her own gob, noisily slurping on it like a whore.

Finally, I was finding out why everyone at work said these birds were a pair of slappers!

I didn't care if anyone heard us now, to be honest, and wriggled my hand up Cathi's skirt, pushed my fingers inside her panties and slid two between the moist, fleshy lips of her cunt.

Fran removed my cock from her mouth, feverishly ripped down her jeans and panties, and positioned herself beside the bed with her arse poised above my crotch.

Cathi aimed my prick at Fran's gooey slit as her friend sat back, sinking down on my shaft until I was completely embedded in her sodden cunt.

Jeez, it felt good as Fran lifted that lovely rounded bum up and down, squelching her fanny juice all over my balls with each bounce.

**"My pussy muscles tightened around his shaft, and it was bliss. With his prick pumping deep into my hole."**

My fingers were still buried up Cathi's pussy, but I wanted to cum. The girls were well aware of this fact, and decided to get some satisfaction before I shot my load and lost interest.

Cathi climbed off my probing fingers and swung her leg over the bed until she was straddling my face.

She dropped her soaking twat onto my mouth and I obliged by stuffing my tongue straight up her greasy hole, slurping the juice into my mouth and down my throat, while Fran still rode my aching meat.

After only a few short seconds, I felt Cathi's thighs tremble either side of my face and I

locked my lips onto her clit as she tensed her whole body before shuddering to a climax in my mouth. Sticky love juice dribbled down my throat and I gulped down her cum.

By now I was desperate to unload, and as soon as Cathi removed her pussy from my face and joined her friend Fran, who had lifted off me and was lovingly licking my glistening shaft, I began to spurt my seed.

Sperm splattered against the girls' pretty faces, splashed into their open mouths, and trickled back down my cock onto my balls.

As my orgasm subsided, I watched the girls kiss, smearing my spunk around their mouths as they lapped up every last drop.

They never took their eyes off me as they passed the thick white gunk sexily from mouth to mouth, making my dick show signs of life so soon after being drained.

Amazingly, a nurse decided to visit me at that moment, and, judging by the look on her face, what had just transpired was not so rare in the wards of the hospital. Good job too, as it certainly aided my recovery.

**M**y sister and I inherited an old house from my aunt last year. It was a Victorian terraced job in a fairly reasonable location, but it was desperately in need of renovation.

My sister hired a guy to do some

interior work, and, after a week or so, I went over to see how things were coming along.

The bloke's name was Dan and, as it turned out, he was a hunk. I know what you're thinking; this is going to be one of those corny 'I fucked the builder' letters. Well it is, except my story just happens to be true!

We got chatting and Dan let on that he'd taken the job because he'd recently been made redundant. I felt sorry for him, especially when he said his wife was being a bitch because of the drop in their income. Looking him over, I grinned to myself, thinking that I might know a good way to cheer him up and have some fun for myself into the bargain.

He was busy fixing up the new kitchen cupboards as we chatted.

Checking out his biceps bulging, I watched him work, my eyes then moving down to his lovely tight arse.

To be honest, I was hardly listening to a word he said.

I decided to up the flirting a notch or two, and undid the

top two buttons of my blouse when he wasn't looking. I've got big tits that have always guaranteed me plenty of male attention, and I knew the sudden appearance of a hefty expanse of cleavage would be sure to get his attention – and his cock stirring!

When he turned around, true to form he stared right at my boobs, and without taking his eyes off them, he asked me if I would grab one end of his tape measure. While I was holding it steady, his hair fell over his eyes, and, instinctively, I brushed it back. He looked at me questioningly and I smiled, running my fingers gently down his cheek. That was all the reassurance he needed.

I put my arms around his neck and pulled him down so I could kiss him properly. His mouth pressed hard against mine, pushing my lips apart as he slid his tongue inside. Dan's big hands spanned my waist as he lifted me up on the counter top and I wrapped my legs around his waist.

I pulled his shirt over his head, exposing his toned chest and six pack. This was one fit bloke, and he was aching to fuck me.

His hands clumsily undid my buttons, and he pulled my blouse off before unhooking my bra and tossing it on the floor.

Dan groped and kissed my big tits, and sucked at my rapidly hardening nipples. His mouth then eagerly returned to mine and he pressed his huge package against my mound.

Then, pulling away, he ran his lips down my neck, across my shoulder and sucked one of my nipples into his mouth. I leaned back onto my hands as he worked downwards, pushing out my hips as his fingers hooked into the waistband of my panties and tugged them down my legs.

Then, pushing up my skirt so that it was scrunched up around my waist, he licked along my slot. Oh shit, I could feel my orgasm building in small tremors around my clit and spreading out in long pulses of intense pleasure through my body.

My leg muscles tightened, and I threw my head back as my climax finally hit. I couldn't believe how powerful it was, and I made such a racket that the elderly couple next door must've wondered what the fuck was going on.

But I certainly didn't feel guilty. I was enjoying myself too much to care about those two old coots or Dan's selfish wife. I kept thinking how stupid she was to reject a man who could make a woman feel this great.

Pulling him up I began to kiss him again, tasting my own juices on his lips. His bulge pushed hard against me once more, and I felt an irresistible urge to have his big prick pounding away inside my soaking hole. I quickly unfastened his fly and slipped my hand inside his boxers.

I slid his jeans and boxers off, and just when I thought I was going to get to feel his throbbing length inside me, his fucking mobile phone rang! Dan, obviously suddenly realising he had a wife, scrambled around and answered the call. During this rude interruption, I took the opportunity to reposition, and tried to distract him by working the head of his cock slowly between my pussy-lips.

It was, of course, his wife checking up on him and asking him to run some boring errand or other. Fuck her, I thought, and carried on rubbing Dan's dick against my hot, wet slit.

His voice was quivering as he tried to speak normally to his missus and, to my delight, he managed a quick 'bye' before hanging up and turning off his mobile.

He cupped my arse-cheeks in his big hands and told me to wrap my arms round his neck. I wound my long, slim legs around his waist and he thrust his throbbing cock inside my soaking slot.

I clenched my legs round the base of his back even more tightly.

In no time I was on the brink once more, and another mind-blowing orgasm had me crying out and shuddering with the pleasure as I clung to Dan.

Then, leaning my back against the wall so that he could get proper leverage, he placed his hands on my hips and began to fuck my pussy like crazy. I tried to meet his thrusts,

lifting my hips and working him even deeper into me as the first shot of come blasted into my hole.

Jet after jet pumped into my slot and

**“Meanwhile, Nick was gripping my hips, and I felt him guiding his cock into my soaking wet pussy. At last! With a loud grunt he shoved his full length inside me and began pounding my cunt.”**

I could feel Dan's spunk dribbling down my inner-thighs. The fact he was fucking me behind his bitch of a wife's back only served to heighten the pleasure and excitement.

There's a lot of work still to be done on the house, and there's still a lot of stuff I want Dan's cock to do to me. I just hope his fucking missus doesn't find out and ruin it!

**M**y husband Geoff and I are swingers. Geoff is less adventurous than me, and only enjoys wife swapping and foursomes away from other prying eyes. But one of the couples that we regularly swing with told us about the fun they'd had at a swingers' club, and ever since I've been begging Geoff to go.

But as he wouldn't give in, I buttoned my lip and planned to go by myself someday.

My opportunity came when Geoff went up North on business, where, having first okayed it with me, he arranged to meet up in his hotel room with one of our play partners, Shelley. With Geoff sorted for his fun and games, I decided that it was only fair for me to enjoy myself too.

I looked up my nearest swingers' club online and decided to give it a go. I tarted myself up and got there around eight that evening. It seemed a nice place with a busy bar, and once I'd looked around a little, I sat on a stool and a fairly hunky guy immediately offered me a drink. Not a bad start!

Naturally I gave him the onceover before I accepted, and, noting the large package bulging the front of his trousers, I decided to go for it.

Sipping my drink, I turned around on the bar stool and pushed my cleavage towards him. He was practically drooling!

Quickly, I glanced around the room to see if there were any better pickings, but when a gorgeous redhead wound her arm around his neck and asked if I was interested in a

threesome, I decided that I was definitely up for it.

Eyeing up her trim little body and perky breasts, I could feel my slot getting hot and moist.

The two introduced themselves as Nick and Amanda, and from the way they groped one another they were obviously already well acquainted.

It turned out that they were both regulars at the club and they took me to one of the playrooms. The room was pretty full with other couples, threesomes, and moresomes hard at it, and I looked around in amazement as I saw the uninhibited sex taking place right in front of me. There were also a number of single men looking on, but everyone seemed respectful and I was happy to take part in my own little adventure.

We chose a corner a little away from the nearest people and began to strip off. Seeing the impressive size of Nick's cock, I eased myself between his thighs with one hand cupping his balls, and then sank down onto one knee. His cock grew fully erect in my fist and Amanda caressed my tits.

I stroked his shaft gently before taking his cock into my mouth. As I sucked his length, Amanda sucked on my nipples, nibbling them gently. My pussy twitched as I tasted Nick's precum.

Tilting my head back, I opened my mouth wide to let him feed me his dick.

Breathing through my nose, I tried to relax my throat as his cockhead pushed further inside. My pussy was beginning to throb as I felt Amanda's fingers probing their way between my lips. I was so excited and very much enjoying my new role as this fit couple's

sex-toy.

Amanda scooped out some of her pussy juice and fed it to Nick who then began fucking my face. Holding onto my head with both hands, he drove his cock deep into my

her pussy lips into a wide gape and began to fuck her hole with my tongue.

I probed, sucked and nibbled at her

mouth. As I felt his balls slapping against my chin, my pussy went into spasm and I climaxed hard on Amanda's fingers.

Nick pulled his hard cock out of my mouth and Amanda lay back with her thighs spread wide, fingering her slot.

Without waiting for an invitation, I got down onto all fours and set about satisfying her gorgeous pussy.

I was lapping away when I felt Nick move in behind me.

Pulling my wet lips apart, he pushed his thick fingers knuckle deep inside.

With my mouth full of cunt cream and my hole getting frigged, my tongue flicked at Amanda's clit, making her hips bounce up to meet my mouth.

Pushing her back down against the floor, I pulled

pussy until she came with a gush, crying out as she climaxed. Well satisfied with this reaction, I moved my tongue further back onto the area between her pussy and anus and began to rim her bum hole.

Meanwhile, Nick was gripping my hips, and I felt him guiding his cock into my soaking wet pussy. At last! With a loud grunt he shoved his full length inside me and began pounding my cunt.

Nick's breath started to come in short bursts as he fucked my slot with increasing power and my pussy muscles began to clench rhythmically around his thick tool as it ploughed back and forth. I could feel it swell inside me as we both neared climax.

I came hard, my screams muffled as Amanda pulled my head hard against her slit. With my pussy spasming wildly I was ready for Nick to blast his load inside me, when I felt him jerk his cock out and spray globs of semen over my arse.

I felt so naughty, and when Amanda began to finger Nick's spunk up and offer it to me, I happily sucked it off her finger and we two girls then kissed.

As I caught my breath I came back to earth with a thud when I heard some muted clapping nearby. Looking over, I saw a small group of appreciative swingers applauding our performance! Not bad for a first time.

# TOTAL RECALL

WHAT A BEACH! - MONIQUE FROM CLUB VOLUME 33 NUMBER 11

**E**ver seen what happens when a whale gets washed up on the beach? All the locals flock to the shore desperate to get the poor fella back in the water. Or if that doesn't quite go as planned, to watch 150 blubbering tonnes of seagull food gradually materialise in front of them. When the tide pulled in Monique to this sandy enclave she attracted a similar crowd, but thankfully no one tried to tempt her back into the sea with a bucketful of fish and some big sticks. "I love going to the beach," the sun-worshipping stunner told us. "It's the one place I can take off all of my clothes in public without some prudish nimby calling the police. I know going naked can attract a lot of unwanted attention, but I actually get a kick out of being leered at by total strangers. "I'd be lying if I said I didn't want guys to look at my body. I suppose that's the reason why I decided to become a porn model. The idea that some random guy that I've never met before is looking at my pictures and wanking himself off to the thought of fucking me. I mean, how exciting does that sound? "I guess I'm just as bad when it comes to ogling the opposite sex. If I'm in the street and I see some fella I like the look of, I'll gladly eye him up. But I won't take it any further than that - I'm far too shy to start a conversation. I'd rather just let my filthy mind run riot about what could happen between us when I'm pleasuring myself later." She definitely gets our surf up!

**Y**ou'd think we'd have gotten used to Cara Brett by now, wouldn't you? In fact if anything, we've become more and more enraptured with the curvy babe's charms with every passing issue. "It's very flattering to hear you say so! But sooner or later you'll get used to me, and then I'm going to have to really pull out all the stops to try and get your attention!"
